Dear Patients,

Further to the letter of the 26th October 2018, there have been some developments with regards to our plans for a new building.

The proposals outlined in the letter were very much dependent on Haringey CCG receiving a premises grant from NHS England, but unfortunately the grant was not awarded.

This is a great shame for the Muswell Hill area, and will impact the level of service provision for the population.

The Muswell Hill Practice will therefore continue to operate from the same location at 1, Dukes Avenue for the foreseeable future.

We will persevere with our search for other premises options in the area, and will let you know if there are any new significant developments.

Yours sincerely,

The Partners
